Introduction

Thank you for using our SafetyTracer solution. We have developed this application with the utmost care to enable you to follow up an alarm if necessary. Unfortunately, despite all the precautions taken, someone may end up in a situation where he or she needs help. The SafetyTracer solution ensures a quick assistance in such situations. This manual has been prepared with the greatest care. Should it nevertheless contain imperfections or if you have any other improvements or remarks, please let us know.

1. Login My Kompy portal

Through our internet portal you can log in as initiator and/or administrator (Figure 1.1). On the internet, go to <https://portal.mopas.eu>.

To login to My Kompy, use your login name and password. After you have logged in you will enter the 'dashboard'.

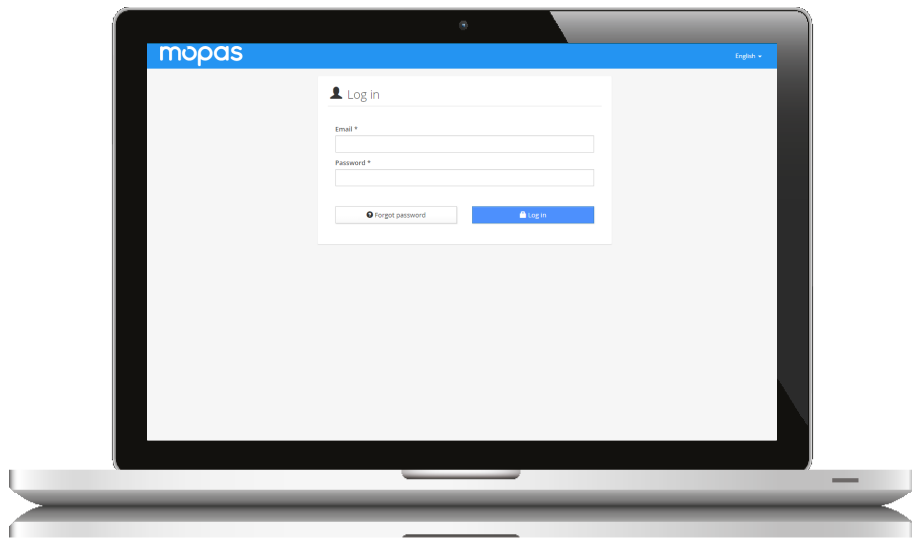

Figure 1.1

Dashboard

If you are logged in, you will be taken directly to the dashboard page (Figure 1.2). You can see what the last status is and when your device (tracker) was last seen.

Below you can see an overview of open invitations and your current contacts.

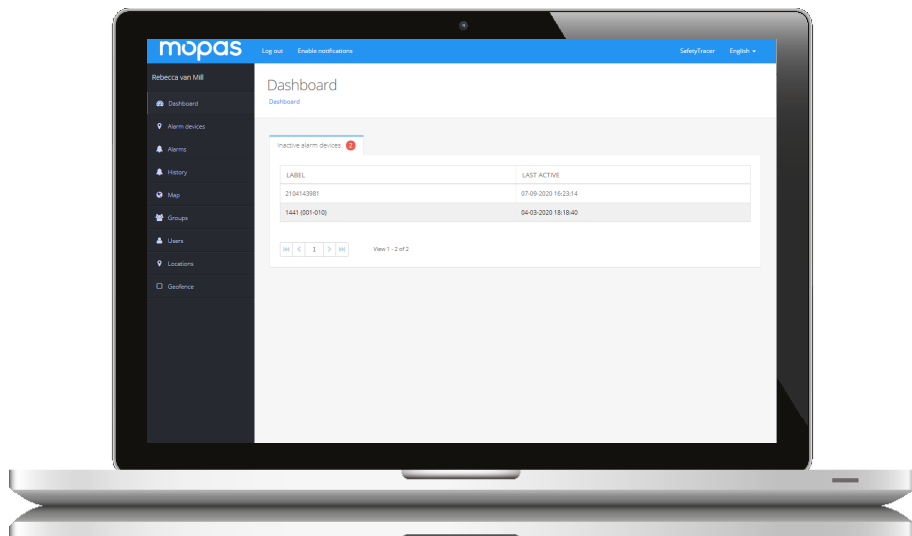

Figure 1.2

Alarm devices

If you select "Alarm devices" on the left side, you will see a more detailed overview of your devices (Figure 1.3). You can view the current location by clicking on  it.

By clicking on  you can view the data per device.

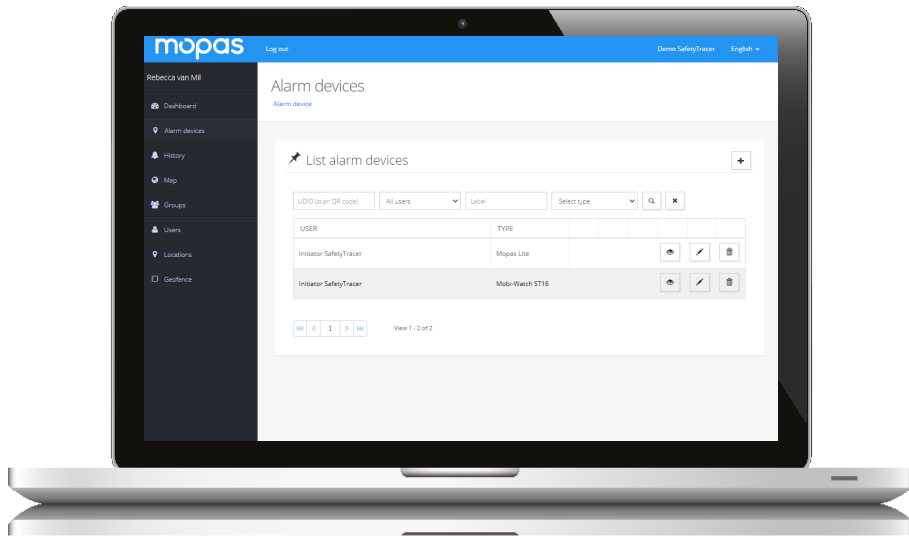

Figure 1.3

Users

If you select "Contacts" on the left side, you will see a more detailed overview of your devices (Figure 1.4). By clicking on , you can view the data for each device. You can delete the users (responder) by clicking on  them.
